*Spirit of Life, which in the beginning hovered over the abyss,*

*Help humanity of our time to understand*

*That the exclusion of God leads to being lost in the desert of the world.*

*And that only where faith enters, do dignity and liberty flourish*

*And the whole society is built on justice.*

*Spirit of Pentecost, which makes of the Church one Body,*

*Restore in the baptized an authentic experience of communion;*

*Render yourself a living sign of the presence of the Risen One in the world,*

*Community of saints that lives in the service of charity.*

*Holy Spirit, which trains to the mission,*

*Make us recognize that, also in our time,*

*So many persons are in search of the truth about their existence and the world.*

*Make us collaborators of their joy with the proclamation of the Gospel of Jesus Christ,*

*Grain of the wheat of God, which renders good the terrain of life*

*and assures the abundance of the harvest.*
