## Tramore Parish Pilgrimage to Benevento & San Giovanni April 2014

Padre Pio, a humble Capuchin priest from San Giovanni Rotondo, Italy, was blessed by God in many wonderful and mysterious ways. The most dramatic was the stigmata. Padre Pio bore the wounds of Christ for fifty years! Padre Pio, who died in 1968 at age 81, was a mystic monk who many Catholic faithful believe bore "stigmata," or wounds like those Jesus suffered at his crucifixion, on his hands and feet. He was made a saint in 2002
