The Tramore Hospice Support Group would like to thank all those who gave their time and effort to help with the collections for National Sunflower Days.

We thank most sincerely and acknowledge the generosity of the people of Tramore for the donations received for this very worthy cause. A total of €3540 was raised and all funds raised locally will stay locally in helping to fund the great service provided by Waterford Hospice.

Our Coffee Mornings will resume again in September and again we would like to thank all the venues that hosted these very social occasions and of course all the people of Tramore who generously attended these functions.
