"I give you a new commandment: love one another; just as I have loved you, you also must love one another. By this love you have for one another, everyone will know that you are my disciples."

Love is man's first and constant vocation. Love is the summary of the whole Bible.

Love is the secret of the saints, the necessary way to God. It is the means to reveal

God's heart to other men. But the beauty of God's love must show itself fresh and new in every Christian; for beauty, to delight and attract, must be fresh as the morning.

Every deed of vital love, performed by us in our personality which nature and grace

have fashioned, is like the morning of time itself. "God is love" in its mysterious

fullness and infinite freshness. Utterly King and Lord, He unites the baptized of every

nation in the one Mystical Body of Christ, by the one Holy Spirit, under the one Mother

Mary.
