We might wonder what the Samaritan had to gain personally from his act of charity. The answer, in material terms, is precisely nothing. The whole point is that love which is really and truly love, is disinterested. Indeed where is the merit in being good only to friends, who will obviously reward you in return, should the need arise? Christian love must embrace everyone. Secondly, if you do not show love to the neighbour whom you see, then no matter what commandments you keep, what ritual sacrifices you join in, as did the priest and Levite in the parable, you become incapable of loving God, whom you cannot see. This is something which St John reiterates again and again. If you want to join in the Eucharistic banquet and receive God's Son into your heart, then you must first cleanse your heart of all hatred, bitterness, ill-will, because the God we receive in this sacrament is love.

For the Months of July & August there will be **NO 7.30AM** Mass in Holy Cross Church.
