Called to 'come to our senses'

The three parables of things lost and found emphasise the unending forgiveness of God, and God's rejoicing for those who return. In each of the situations there is a frantic search for that which is lost and a huge celebration when the lost is found. In the parable of the Lost Son there is much to reflect on. We hear that the younger brother eventually 'came to his senses.' We might pray today that God show us the aspects of our lives in which we also need to come to our senses.

In this Season of Creation, we lament the destruction of God's creation, we reflect on the loss of bio-diversity and the loss of human life caused by climate change. We pray that as a global community we might, like the lost son, 'come to our senses' and take the actions that are necessary to change course. It all seems so huge and perhaps we feel there is nothing significant we can do. That is not the case. As parishes, we can lead by example and show our commitment to care for the earth. The future of our environment depends on the action we take now as a society. As with all significant change, it begins with the grassroots.

'I wish to address every person living on this planet...to enter into dialogue with all people about our common home...The climate is a common good, belonging to all and meant for all.' (*Laudato Si'* 3,23)

Suggestion for the week: Can you encourage your family to make small changes in the home, such as ensuring all waste is correctly recycled, composting, encouraging one another to use public transport or walk/cycle when possible? We start with ourselves.

Our New Alpha Parish Programme

Our new Alpha programme is about to begin this week!

The course will commence this **Wednesday 18th September at 7pm, at O'Neill's Bar**

The course is designed to invite people to rethink their faith in Jesus Christ, and to get a conversation going among like-minded people on the importance of faith in our lives today. Each session begins with a shared meal, followed by a short DVD presentation on a particular topic of faith, and concludes with time for discussion in small groups. A few places are still available. You can leave your name on the sign-up sheet in our parish office, or drop in one of the application forms in the church porches. Remember to keep the group in your prayers!
