## *26<sup>th</sup> Sunday in Ordinary Time Reflection* *The Deep End*

In the second reading from St James today we hear of a condemnation of the rich who exploit the weak. This theme carries on into the Gospel where Jesus has harsh words for anyone who would try to bring down 'the little ones'. It is a lesson in tolerance and a call to care for the weak and vulnerable.

During this Season of Creation we are reflecting on the call to Restore Our Common Home and care more deeply for God's creation, to live out our vocation to be protectors of God's handiwork. This means being aware of the facts of the crisis so that we can discern where we are being called to act. Scientists tell us that we are now living through the 6th mass extinction of life on our planet because of the catastrophic destruction of biodiversity due to human activity. We have plundered the earth. We are also aware that our world faces a devastating climate crisis. This Autumn, two vital UN conferences are due to take place, the UN Conference on Biodiversity (known as COP15, in China) and the UN conference on Climate Change (COP26 in Glasgow). Catholics all over the world have been invited to sign a petition addressed to the Presidents of these conferences, to raise our voices for God's Creation and encourage world leaders to take the necessary action. The petition is called 'Healthy Planet, Healthy People' and has been endorsed by the Vatican as the main action for Catholics to take during this Season of Creation. It is something we can all easily do by going to [www.thecatholicpetition.org](http://www.thecatholicpetition.org) and inviting our families and friends to do the same. Parishes, dioceses, universities, businesses, congregations can also sign. By taking part in this way, we are standing in solidarity with young people, with the poor who suffer the most from environmental destruction and with creation.

Let us always be conscious of our responsibility to be carers of creation, to connect more deeply with the wondrous world around us, to take action against all that threatens our common home.

### **Members of Viatores Christi will speak at Masses in the parish of Tramore during the Saturday Vigil Masses and the Sunday Masses**

#### **What is Viatores Christi?**

Viatores Christi, (VC) an association of Catholic lay missionary development workers, was founded in 1960 .

Today it has become an international volunteering Agency and a faith-based sustainable development and humanitarian organisation. VC brings about positive change by improving access to healthcare, education and opportunities in the marginalised communities in which we work.

#### **Why are they talking at the Masses**

- To raise awareness about the missionary work of the Church and the role of lay missionaries, both at home and overseas.
- To thank the people of the Waterford and Lismore Diocese for their support for our work over the years
- To offer an opportunity and preparation to anyone who feels called to volunteer their time, skills and talents
- To appeal for ongoing help both financially and above all through prayer.
- There will be a collection in aid of the work.

Lord,

We pray for those who mourn, immerse them in  
your love and lead them through this darkness into  
your arms and light.

For those who comfort, be in both the words they  
use and all that's left unspoken;

Fill each heart with love.
