Reflection for the 20th Sunday in Ordinary Time

Disturbing love and the warmth of love

Fire is frightening; it can burn up a city. Controlled it is warming: in control in a grate; and it also warms the heart, when we sit back, watch the flames and chat, think or pray. Jesus came to bring fire on the earth. His is the warmth of love and companionship: when we know we can go to him just as we are, and enjoy the intimacy of his friendship - the friend who is always offering the gift of his heart to each of us.

The warmth of Jesus brings comfort and hope to the world when we live in isolation from each other, lack of friendship and hope. When we lack the reconciliation and justice that makes life possible among us, then the warmth of God's love for all can inflame our coldness.

There is also the fire that disturbs; love challenges as well as comforts.

The flame of God can be frightening in that it demands a world of justice, peace and reconciliation. The fire of this love is the fire that also warms and comforts.

The flame of God is the Holy Spirit. Jesus comes to bring all sorts of fire to the world, and to send the Spirit of comfort, justice, reconciliation and hope. The message of Jesus may divide us, and if it does, the love of Jesus can unite us, for love is the most powerful gift of Jesus.

A saying has it — he has come to afflict the comfortable and comfort the afflicted.

*Holy Spirit, flame of God, hover over each of us
as you did for the followers of Jesus
at the first Pentecost.*

The Autumn Collection for the support of Priests

*The Autumn Collection for the support of Priests takes place this weekend,
August 13th/14th.*

We thank you for your wonderful generosity that you have always shown with these collections and many others.

We appreciate greatly the kindness that is always shown in so many ways to us, especially in challenging times for everyone.

As you may already know, for many years there was a Common Fund system in place in our diocese, where monies collected from special collections for Priests and contributions for baptisms and weddings were all pooled together from every Parish and from which every Priest of the diocese received his salary on a quarterly basis. The annual income for a Priest in our Diocese is €21,000. In recent times, this system has changed and now every Parish is responsible for itself to make sure that their Priest(s) receives this salary. All monies now collected locally stay in the Parish.

On behalf of Fr. Paul, Fr. Tadeusz and I, we thank you for your great care and support of us. We never take it for granted and we appreciate always your support and encouragement, shown and given in so many ways.

Peace & Blessings,
Fr. Richard
