## Reflection for Corpus Christi

### Sacrifice and gift

Many people have memories of the **Corpus Christ** procession when the monstrance with the **Blessed Sacrament** was brought around the parish. All groups in the parish were represented. Children scattered petals before the host and houses were decorated. The meaning of the feast was to bring the **Lord** into the streets of his people and to appreciate the gift he gives us of himself in the **Eucharist**. This procession still takes part in many places.

On Holy Thursday we also celebrate the **Eucharist**, but in another way, it is more of the sacrifice of **Jesus** on **Calvary**. We unite ourselves with his offering that brought him to death, and look forward to the resurrection when the risen **Lord** would be present in many ways among people, including in the form and shape of bread and wine.

On the feast of the **Body and Blood of Christ**, the emphasis is more on gift than on sacrifice.

This is what he wishes to leave us as a gift forever. It is the way he could give himself forever in a very close way, so that this is his gift of '*food for the journey*'

We need this gift. We need to know certainly that **God** is close with us in life, and the **Eucharist** at Mass gives us this certainty. We need to know that **God** is really present in our lives, and we know this in the real presence of the **Eucharist**.

*Lord in this Eucharist today  
I welcome you into my life;  
help me to live like you and love like you.*

**Amen.**
