## Reflection for the 2<sup>nd</sup> Sunday in Ordinary Time

### The Lamb of God

In today's Gospel, John the Baptist is inviting us to *look* at Jesus. He calls Jesus the '*lamb of God who takes away the sins of the world*'. We say these words often at Mass and today we are invited to meditate on them more closely. What does it mean? In Jesus' time, two lambs were sacrificed in the Temple in Jerusalem each day. It was a ritual that invoked purity. Jesus will preach a love that is radical for many, in a world that was, and still is, broken. John refers to Jesus as the *lamb* as he knows that if one loves in such a way, they will suffer at the hands of unjust systems and institutions.

When we look at the 'sins' of our world today – broken relationships, crisis, can we also see those who, like Jesus, 'take away' the sins of the world? Christ's love was not passive, he actively challenged systems that were oppressive and which prevented people from living life to the full. Whether it be the climate crisis or the homelessness crisis or any number of issues we face, '*look*' where Jesus walks and is actively working to ease this suffering. When we hear these words at Mass, let us be reminded of all those who sacrifice much to ease the sufferings of others. This is Christ, the '*lamb of God*' active in our world today.

***'The descent into the waters of our spirit, is a journey into the presence of divinity ... all human beings are children of God but not all live in the awareness that there is 'that of God' within them'***

W.L. Wallace
